Why Singapore:

- Singapore is a country where east meets west. The mixture of these two cultures will allow students from all parts of the world to feel at home in the environment
- Singapore is no doubt, considered to be one of the safest countries with high security and political stability
- The public transport system is very well established, making it convenient for students to travel around if they would like to do so
- There are many expatriates and foreign students residing in Singapore and thus, students will not feel out of place in the new environment.
